

## **HOLY MARIA, VIRGIN OF UNITY**

Holy Mary, we are men and women, youth, elderly and children from the four corners of the World.

Altogether in one faith, hope and charity, we turn to you, Holy Mary, mother of unity, we implore your intercession from your Son Jesus in order to know how to hold communion with the Father, Son and Holy Ghost and work together for the extension of the Kingdom of God and the Holy Church.

Virgin of unity, grant us the grace to be truly faithful to the commandment of love, taking special care of those who leaving their countries behind emigrate to other lands in search of their daily bread and a life of dignity to which we are all rightful.
